Subsidies

For reducing the subsidies, I prefer:

- Option 1
- Option 2

Mega-Projects

Mega-projects should be:

- a separate category
- self-insured
- no opinion
- other _____

Additional comments:

I am interested in participating in a focus group:

Incentives

The YWCHSB should reward employers with:

- low claims costs (outcome)
- a certified safety program (behaviour)

An incentive program should be:

- completely voluntary, or targeted to certain employers.
- available to all employers, or just for larger employers.

Incentives should involve the ability to bid on contracts with municipal and territorial governments:

- yes no
