**TRANSITION POLICY –
WORKERS' COMPENSATION ACT 2008**

REVOKED
JAN 01 2013

GENERAL INFORMATION

The Board of Directors' policies provide direction to ensure consistency in interpreting the *Workers' Compensation Act* S.Y. 2008 (the "Act") and, where applicable, earlier *Workers' Compensation Acts*.

P.

Attached, as Appendix A, is a section-by-section comparison of the *Workers' Compensation Act R.S.Y. 2002* and the *Act*.

PURPOSE

This policy outlines how the *Act* and the Board of Directors' policies apply to claims made before the effective date of the legislation.

DEFINITIONS

- 1. Entitlement:** means a decision-maker has accepted that a worker is eligible to receive compensation.
- 2. Compensation:** means any amount payable or services provided under the *Act* in respect of an injured worker.

POLICY STATEMENT

1. Establishment of Policies Applicable to Prior *Workers' Compensation Acts*

Under the *Act*, the Board of Directors has the authority to establish policies, including policies under earlier *Workers' Compensation Acts*.

2. Application of Predecessor Legislation

Where a previous *Workers' Compensation Act* is repealed the normal rule of interpretation is to use the most current *Act*. The only exception is the transition part of a *Workers' Compensation Act*, which directs that entitlement of a worker to compensation is determined pursuant to the *Workers' Compensation Act* in force at the time of the worker's injury. Subsections 127 (a) to (g) of the *Act* confirm this, by specific legislative direction; that entitlement to compensation, which includes matters such as indexing of benefits or the amount of compensation, will be dealt with by using the specific *Workers' Compensation Acts* listed in section 127 of the *Act*.

Unless directed by section 127 of the *Act*, the normal rule of interpretation is, because the *Workers' Compensation Act* R.S.Y. 2002 is repealed, all compensation benefits will come under the *Workers' Compensation Act* S.Y. 2008.

Policies of the Board of Directors that were in force at the time of the worker's injury will apply, unless a subsequent policy states otherwise.

3. Directions on Interpreting the Act

- a) Section 131 repeals the *Workers' Compensation Act* R.S.Y. 2002.
- b) Effective July 1, 2008, section 14 "Mitigation of Loss" shall apply to all workers, regardless of their date of injury.
- c) Section 24 "Canada and Quebec Pension Plan Offset". Workers in receipt of earnings loss compensation on July 1, 2008 who received their Canada or Quebec Disability Pension Plan prior to July 1, 2008 will not have this amount deducted. This section will apply to all workers who became entitled to receive or came into receipt of CPP benefits on or after July 1, 2008, including workers injured under earlier *Workers' Compensation Acts*, who suffer an aggravation or recurrence of their injury after July 1, 2008.
- d) Effective July 1, 2008, sections 40(1) and (2) of the *Act*, a duty to cooperate in return to work; will apply to all employers and workers, regardless of date of injury.
- e) All review and appeals shall be brought under the procedures established under the 2008 *Act*, regardless of when the injury occurred, including earlier *Yukon Workers' Compensation Acts*.

4. Amendments to the Act

When any amendments are made to the *Act*, the Board of Directors will, as soon as practicable, make any changes to its policies that are required to ensure consistency with any amended provisions or section references to the *Act*.

Where any inconsistency exists between a provision of a policy of the Board of Directors and a provision of the *Act*, the provision of the *Act* will prevail to the extent of the inconsistency.

APPLICATION

This policy applies to all policies established by the Board of Directors and to the YWCHSB, its staff, the appeal committees of the Workers' Compensation Appeal Tribunal, and all workers and employers covered by the *Act*.
