CL-42, effective
Oct 1/07*

SECTION
REFERENCE:

POLICY:

OUT OF AND IN THE COURSE OF EMPLOYMENT - Buildings

- (1) In buildings where there are two or more occupants, the worker is considered to be in the course of employment from the point which the worker enters the door of the building or from the foot of the stairs leading to the building entrance and continues in a direct route to the actual place of employment.
- (2) In multiple tenant areas such as shopping centres, a worker would not be considered to be in the course of employment until the entrance to the actual premises of the employer has been reached (subject to the policy covering parking lot cases).
